2. When the writ petition was taken up for hearing, the learned Special Government Pleader submitted that the concerned temple is not within the control of the HR&CE Department.

3. In the considered view of this Court, if a temple is permitted to be visited by the general public, it assumes the character of a public temple. In such an event, irrespective of the caste or community of the devotees, they must be permitted to offer their prayers to god. Caste and community are the creations of human beings and god is always considered to be neutral. That apart, preventing persons from offering prayers on the basis that they belong to Scheduled Caste community, is an affront to the dignity of persons who are discriminated based on their caste. This can never be permitted in a country, which is governed by the Rule of law. That apart, Section 3 of the Tamil Nadu Temple Entry Authorisation Act, 1947, makes it abundantly clear that notwithstanding any law, custom or usage to the contrary, every Hindu irrespective of the caste or sect to which he belongs to, shall be entitled to enter any Hindu temple and offer worship therein. If

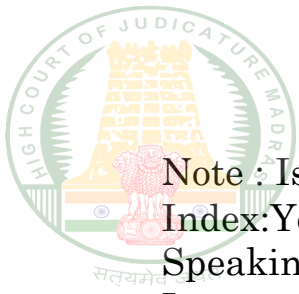

they are restricted entry, it will amount to an actionable wrong / offence and the concerned person can be sued or prosecuted there for. This act came into force after a long struggle by many leaders, who wanted to ensure that persons are not prevented from entering into the temples based on their caste. The Act was brought into force as a policy taken by the State Government to remove the disabilities imposed on certain classes of Hindus against entry into Hindu temples in the State.

4. In view of the above discussion, there shall be a direction to the respondents 2 and 4 to ensure that all classes of Hindus are permitted to enter into the temple and participate in the festival. If any one prevents them from participating, action shall be taken in accordance with law. It shall be ensured that no law and order problem is created.

5. This writ petition is disposed of with the above directions. No costs. Consequently, the connected miscellaneous petitions are closed.
