Dated this the 23<sup>rd</sup> day of July, 2025

**JUDGMENT**

W.P.(C) Nos.32780, 35451 & 36000 of 2019 and 2224, 3592, 6645, 12311 & 14981 of 2020 are essentially filed challenging Government Order No.6/2019/Environment dated 27.11.2019 and G.O.(Ms) No.7/2019/Environment dated 17.12.2019 whereas W.P.(C)Nos.33893 & 34782 of 2019 are filed challenging only Government Order No.6/2019/Environment dated 27.11.2019. W.P.(C)No.24937 of 2020 is filed seeking implementation of these Government Orders. These Government Orders were issued prohibiting the single use of plastics in the State of Kerala. The competence of the State Government to issue such orders is assailed in these writ petitions.

2. The learned Government Pleader would submit that the issue regarding the competence of the State Government to ban

2025:KER:54508

W.P.(C). Nos.32780 of 2019 and connected cases  
: 26 :

various types of single use plastics by invoking the power under Section 5 of the Environment (Protection) Act, 1986 has been upheld by the Apex Court by the judgment dated 20.10.2023 in ***Tamil Nadu and Puducherry Paper Cup Manufactures Association v. State of Tamil Nadu & Ors.[ 2023 SCC OnLine SC 1383]***.

3. The learned Standing Counsel for the Central Pollution Control Board also brought to my notice that the writ petitions were filed challenging the competence of the State Government to issue such orders in the absence of any rules framed in this regard by the Central Government, but submits that later the Rules in this regard were framed as per notifications dated 12.08.2021 & 06.07.2022, issued by the Ministry of the Environment, Forest & Climate Change, Government of India.

4. In the light of the declaration of law by the Apex Court upholding the power of the State Government to issue ban orders regarding various stages of single use plastics, I am of the view that the challenge against the Government Orders are only to be rejected. Taking into consideration the above facts and

2025:KER:54508

W.P.(C). Nos.32780 of 2019 and connected cases  
: 27 :

circumstances, I am inclined to repel the challenge made in these writ petitions against the Government Orders referred to above.

5. In W.P.(C)No.14981 of 2020, over and above the challenge made against the above said Government Orders, the petitioners also sought for a direction to the 4<sup>th</sup> respondent to repay an amount of Rs.10,000/- to the 2<sup>nd</sup> petitioner, which is the fine imposed by the local authority. As regards the additional prayer of the petitioner for repayment of the said amount, which is imposed as a fine, I am of the view that it is for the petitioner to work out their remedy in appropriate proceedings.

6. In W.P.(C)No.12311 of 2020, though a challenge was made against the above stated Government Orders, they have also sought for refund of an amount of Rs.13,51,513/- from the State Government with bank interest. Such a claim was made with respect to the stock material during the transition period. But I find that there is no averment in the writ petition that said stock material was seized by the Government or any other authority. Therefore, such factual issues without any proper averments cannot be adjudicated in a writ proceeding. I am leaving open

2025:KER:54508

W.P.(C). Nos.32780 of 2019 and connected cases  
: 28 :

such claim of the petitioner to be agitated in appropriate proceedings. If the petitioner initiate any such proceedings, the period the petitioner has spent before this Court prosecuting the above writ petition could be claimed for excluding the period of limitation provided for initiation of such proceedings.

7. W.P.(C)No.24937 of 2020 is filed seeking implementation of the above stated Government Orders. Taking into consideration the fact that the challenge against these Government Orders are repelled by this Court, it is made clear that the Government is duty bound to implement the directions in the Government Orders as well as the rules framed in this regard by the Government of India and if there is any breach, the petitioners will be free to represent the matter before the authority concerned, who shall take appropriate action in accordance with law.

With the above said directions the writ petitions are disposed of.
