from Respondent No. 2; At Annexure-‘C’.

C. Issue writ of mandamus and/or any other

H. Pass any other and/or further order(s) as this Hon'ble Court may deem fit and proper in the facts and circumstances of the present case."

2. The learned advocate for the petitioners submitted that petitioners are seeking relief, directing the respondent no.1 to renew the passports of the petitioner nos.1 and 2 without No Objection from the respondent no.2 - husband. It is submitted that initially, an application has been preferred by the petitioner no.3 - mother. It is submitted that the petitioner no.3 and the respondent no.2 are the wife and husband. Subsequently, they have obtained decree of divorce by mutual understanding as per the provisions of 13B of the Hindu Marriage Act by preferring an application i.e. Family Suit No.270 of 2022 before the Family Court, Vadodara and pursuant to the same, the Family Court, Vadodara has passed decree of divorce on 10.08.2022. It is submitted that the Memorandum of Understanding was executed between the respondent no.2 and the present petitioner

no.3 and as per the same, two minor children are in the custody of the petitioner no.3 as she is mother of both the minor children. It is further submitted that passports of the petitioner nos.1 and 2 are required to be renewed as the petitioner no.1 has to appear in the examination of SAT and accordingly, at the time of filling up the form, the copy of the passport is required and when they approached the passport authority, it has denied renewal of the passports mainly on the ground that No Objection of the father has been obtained and same was communicated to the present petitioner no.3 on 12.08.2025. Therefore, it is requested that now, it is not possible to secure the consent of the husband at this stage and in absence of his consent, if the passports are not renewed, the minor daughter has to suffer a lot and, therefore, it is requested for renewal of the passports without consent of the respondent no.2 - husband.

3. Learned advocate Mr.P.D. Bhate for the respondent no.1 submitted that the respondent no.1 has no objection if the present petition is allowed and the respondent no.1 authority will renew the passports, even in absence of No Objection from the respondent no.2 - husband.

4. Heard the learned advocates for the respective parties.

5. As per Section Section 4(3) of the Schedule-II of the Passport Rules, 1980 provides that a single parent who is separated, but not formally divorced, is also eligible to

endorse consent to prefer an application and get a passport and it apparently by way of abundant caution that the authority has indicated that the passport could not be granted unless there is consent of any of the parent or if there was a Court order.

6. So far as the present case on hand is concerned, it is not in dispute that decree of divorce has already been obtained by the present petitioner no.3 and respondent no.2 – husband and subsequently, they got divorce and as per the Memorandum of Understanding executed between them, the custody of the minor daughter and son is to be kept with the mother i.e. the petitioner no.3 and considering the same, the petitioner no.3 has applied for renewal of the passport and the same was rejected by the respondent no.1 on the ground that the father's consent or No Objection for minors' passports has not been produced along with the application form.

7. Considering the above, this Court is inclined to allow the present petition and the same is hereby allowed. The respondent no.1 – authority is directed to consider the application dated 11.07.2025 preferred by the petitioner no.3 as a single parent and renew the passports of both the minor petitioner nos.1 and 2 i.e. Khrisha Suresh Hemnani and Kiaan Suresh Hemnani as expeditiously as possible preferably within a period of 1 week from the date of passing of this order.

8. In view of the above, the present petition is allowed.

9. The affidavit of service is taken on record. Direct service is permitted.
