The SCAORA notes, with deep distress and shock, advocate Shri Virender Narwal's brutal shooting in broad daylight on a public road with complete impunity, leading to his death.

SCAORA condemns the murder of an officer of the court in the strongest words. The murder of an officer of the court is a crime against humanity and an assault on rule of law and the administration of justice. SCAORA conveys its deepest condolences to the bereaved family.

SCAORA demands that a speedy judicial enquiry be conducted forthwith. SCAORA demands that the government should immediately take steps to bring forth the long overdue Advocates Protection Act to protect practicing advocates from crimes and assaults to them, and their families, arising from their work and due discharge of duty.
